

## NEW SHARE DRAFT/CHECKING ACCOUNT PROMOTIONAL BONUS

### **TERMS AND CONDITIONS FOR PROMOTIONAL CHECKING ACCOUNT BONUS**

The County Federal Credit union is pleased to offer a bonus of \$100 to members who open a new share draft/checking account and establish direct deposit within 60 days of opening the account. The checking account must remain open, active, and in good standing through the qualifying period to receive the bonus.

To receive the bonus, members must:

1. Open a new personal share draft/checking account with The County Federal Credit Union with a minimum deposit of \$200.00;
2. Establish a recurring electronic direct deposit of a paycheck, pension, or government benefit (such as social security) from member's employer or the government within 60 days of opening the personal share draft/checking account. Deposits received in connection with goods sold, person-to-person transfers between your County Federal Credit Union accounts or accounts at other financial institutions or brokerages do not qualify; and
3. Maintain membership in good standing for 90 days. Membership in good standing requires that all account balances associated with the account holder's Social Security Number must remain at or above the required minimum balance (see Rate & Fee Schedule for minimum balance requirements); and any loan associated with an account owner's Social Security Number must not be past due (no more than 29 days past the Payment Due Date).

Once the above criteria has been met, the bonus will be directly deposited into the eligible checking account by electronic deposit within 5 business days.

Not available on business purpose accounts. One bonus payment per person (based on Social Security Number). This offer is subject to change without notice.
